

Brophy College Preparatory Student Parking Information

2007-2008 School Year

Any junior or senior interested in obtaining a parking permit and parking on campus must organize his carpool prior to submitting the form below. **All completed forms must include a check for \$25.** Completed applications will be date-stamped and reviewed by the Dean's Office. Permits will be distributed during registration. Submission of a completed form does not guarantee that a student will receive a permit.

- **Only those students who carpool** (a carpool is defined as a minimum of 2 students per vehicle at the time the vehicle is parked) **will be allowed to park on Brophy's campus.**
- All other drivers will not be permitted to park on campus.
- Students are permitted to park in the north auxiliary lot and the south parking lot. Seniors arriving after 8:15 may park in St. Francis' lot north of the sidewalk. **No student is permitted to park in the St. Francis lot south of the sidewalk.**
- Permits will be distributed on a first-come, first-served basis. Please do not hesitate in submitting your completed forms. Remember, only completed forms will be processed.
- Brophy will not cash parking fee checks until a permit has been assigned. If your son does not receive a parking pass your check will not be cashed.
- Parents and students agree to hold Brophy harmless from any and all damages or claims which may relate to or arise out of driving to or from Brophy, but this agreement shall not release Brophy from liability for its own gross negligence.

Parents and students acknowledge that the student — not Brophy — is responsible for organizing his carpool and he must obtain permission of the parent of any Brophy student before the student may join his carpool to Brophy.
